Call for FY25 Executive Committee Nominations

We are looking for SWE-HA members who are enthusiastic, engaging, and excited about leading SWE-HA for next year FY25 (Starting in July)! We are currently accepting nomination packets for all officer positions (President, VP-External, VP-Internal, VP-Outreach, Treasurer, and Secretary) and Board of Trustees. Nomination Packets are due **Thursday, March 28!**

Nomination packets should be uploaded in the below Google Form and need to include the following items. **Self nominations are accepted and encouraged!**

- 1) Nominee's SWE membership number
- 2) Officer position being sought
- 3) Nominee's Biography (max 200 words)*
- 4) Personal statement by candidate focusing on how she will contribute to SWE in terms of skills, abilities, goals, objectives as an officer or other personal attributes (max 200 words).*
- 5) Resume detailing both professional and SWE activities (Please include current contact information so the nomination committee can reach out to you.)

*Note #3 and #4 may be used on the voting ballot

If you have any questions, don't hesitate to reach out to Amanda Cain at nominations@houstonswe.org.

From the SWE-HA Team

March Membership Spotlight

This March, SWE-HA would like to highlight our amazing Web Virtuoso volunteer Ky Cao! Ky Cao graduated from Texas A&M University in 2020 with a B.S. in Chemical Engineering and certificate in Safety Engineering. She was born and raised in Texas and currently works as an Environmental Consultant at Spirit Environmental, LLC, specializing in air permitting, compliance, and reporting. Ky Cao has been an active SWE member since 2016 during her undergraduate studies and has been involved with SWE-HA since 2020, serving as Secretary in FY22 and as Web Virtuoso in FY22-FY24.

As you may have noticed, the SWE-HA website got a new look in January! She and Kathryn Schoer were instrumental in the process of completing the website transition and building the new SWE-HA website platform as required by SWE Headquarters. Her role as Web Virtuoso is responsible for maintaining and updating the website to ensure we best showcase all of our information and events to anyone who visits the SWE-HA website. Another SWE section even reached out for help resolving issues with the new platform and even complimented how good the SWE-HA website looks, saying it "is one of the best" SWE section websites they've seen. Having a well-maintained website is key to upholding SWE-HA's positive visibility with members and non-members, corporate partners, and the community and we are grateful to have Ky in the Web Virtuoso role!
