Upcoming Events

May SWE-HA Coffee + Networking

Join us for our May coffee + networking at Badolina Bakery & Cafe in Rice Village. Members and non-members are welcome. Attendees are responsible for their own beverages.

This month we are celebrating Moms! We encourage you to bring the important women in your life and/or your kids to join us for coffee! Members of our Working Moms Focus Group will be there. We will meet across from the cafe in an outdoor seating area which includes a playhouse and plenty of space for strollers. There is also a parking garage located next to Badolina that is free for the first 2 hours. After coffee, you can shop around Rice Village to pick out a special gift for the moms in your life!

Our final SWENext event is coming up later in May! For our last session we will be creating vision boards with the students! We are looking for magazines on anything tech related, medical, engineering, or anything that allows the students to envision their future self works. **Please bring your magazines to the May Coffee & Networking event and leave them with Amanda Cain or any other SWE-HA Board member in attendance.**
